Got a message for you baby
Got a message from the King
Got a message for you baby
Got a message from the King

He said, "Leave all your possessions if you wanna be
free
Take up your cross and follow me"

Got a message for you baby
Got a message from the King
Got a message for you baby
Got a message from the King

He said, "Leave all your possessions if you wanna be
free
Take up your cross and follow me"

Got a message for you baby
Got a message from the King
Got a message for you baby
Got an overnight Federal Express from the King for
you, girl

He said, "Leave all your possessions if you wanna be
free
Take up your cross and follow
Take up your cross and follow
Take up your cross and follow me"
