Somethin bout Jesus makes me forget  
All of the silly little cares of this world  
Oh yea! You bet!

Got into Memphis about 2 a.m.  
Waiting for me was my blond-haired friend  
Trying to ease my mind  
Ain't been home in a long, long time

Start complaining about balancing books  
She gives me one of those looks and says  
Baby don't get uptight  
Jesus gonna make it right  
Make it right child, make it right

Shine, shine like the star of Bethlehem  
Shine, shine on the one who died and rose again

Some men, they worry about family  
Some even worry about time for tea  
But there's one man I'll say  
Who can chase those worries away

His name is Jesus and you soon will know  
Shout out His name and watch your worries go  
Trust in Jesus Christ  
Cuz He died to give you life  
Give you life child, give you life
