Out of the mouth of the holy
Onto the page I read
Voice of the great provider
Everything I need

Shelter in time of fear
Tellin' me God is here

This is the word of God
Open your hearts, believe it
This is the word of God
Humble yourself, receive it

Listen, try and understand
You hold it in your own two hands
The one and only master plan
The word of God

There is a war of possession
And we are the battlefield
The Lord is given a weapon
In His word revealed

Sword of the spirit rise
Power of Jesus Christ

This is the word of God
Open your hearts, believe it
This is the word of God
Humble yourself, receive it

Listen, try and understand
You hold it in your own two hands
The one and only master plan
The word of God

And in the darkest hour
You're only light
Alive with heaven's power
To win, to win the fight

This is the word of God

Open your hearts, believe it
This is the word of God
Humble yourself, receive it

Listen, try and understand
You hold it in your own two hands
The one and only master plan
The word of God
The word of God
The word of God
