This here's a song about two sets of Jones'
Rothchild, Evelyn, Rueben, and Sue

And just for discussion through random selection
We've chosen two couples who haven't a clue

Rothchild was lucky to marry so wealthy,
Evelyn bought him a house on the beach.

Rueben and Sue, they had nothing but Jesus
And at night they would pray that he would care for
them each

Chorus:

And the rain, came down,
And it blew the forewalls down
And the clouds they rolled away
And one set of Jones', was standing that day

Evelyn's daddy was proud of young Rothchild,
He worked the late hours to be number one
Just newly weds and their marriage got rocky,
He's flying to Dallas, she's having a son.

Rueben was holding, a Giddeon's Bible,
And he screamed "it's a boy" so that everyone heard
And the guys at the factory took a collection,
And again God provided for bills he incured

(Chorus)

So what is the point of this story,
What am i trying to say
Well is your life built on the rock of Christ Jesus
Or a sandy foundation you've managed to lay

Well needless to say Evelyn left her husband
N' sued him for every penny he had
But I truly wish that those two would find Jesus
Before things get worse than they already have

(Chorus)

And the rain, came down,
And it blew the forewalls down
And the clouds they rolled away

There's two sets of jones'
Which ones will you be?
