UPON THE SHADOWY BLACK WINGS OF THE NIGHT  
TRAVEL THE DARKEST OF OBSCURE CREATIONS  
THEIR MOUTHS DRIPPING WITH THE BLOOD OF  
MORTALS  
THEY SEE THROUGH EYES AS BLACK AS THE ENDLESS  
NIGHT SKY  
THEIR RAZOR SHARP CLAWS ARE AS SCYTHES  
THAT TEAR THROUGH HUMAN FLESH  
AN ANCIENT EVIL BEYOND THE GRASP OF TIME  
THAT DESCENDS UPON THE LAND SCOURGING THE  
EARTH  
AND CONSUMING THE SOULS OF THE LIVING  
SCREAMS OF THE DYING MERGE WITH THE HOWLING  
OF WOLVES  
IN THE NIGHT TO THE FULL NORTHERN MOON  
AS HORDES OF BATLIKE FORMS FLIT THROUGH THE AIR  
SHARING IN THEIR ECSTASY  
THROUGH THE EYES OF THE DEAD THE MOON TURNS  
CRIMSON  
AS TORRENTS OF BLOOD CASCADE THE LANDS  
SATURATING THE EARTH SO DEVOID OF LIFE  
A CHALICE IS RAISED BY WITHERED HANDS  
FROM THE SOIL OF THE BLACKENED LANDS  
AND IT IS DRANK IN FULL  
IN HONOR OF THE DARKEST TIMES

[LYRICS: IXITHRA, LORD OF THE SYLVAN SHADOWS]
