Worthless maggot  
Inferior worm  
Filthy swine  
Die by my hands  
The hate - It burns inside me  
The Hate - It makes me strong  
Hatred  
You are beneath content  
Hatred  
I'll slay your fucking kin  
Hatred  
I'll tear out your filthy guts  
The hate - It burns inside me  
The hate - It makes me strong  
Your blood shall be on my hands  
Your futile existence shall meet an end  
Your miserable pointless being shall cease  
As your life leaves you by my hands  
Hatred  
You are beneath content  
Hatred  
I'll slay your fucking kin  
Hatred  
I'll tear out your filthy guts
