

## **Demon Realm "The Path"**

Visit "[The Path](#)" on MotoLyrics.com

This path I walk  
I can't stray  
I've chosen my way  
Where it takes me  
I must follow  
Let me demons  
Led by demons  
Bring me the darkness  
Give me the sign  
I have yearned for  
Guide my dark path  
Bleeding the hate  
I walk filthy soil  
Breathing the wrath  
I wander the wasteland  
Seeing the soul of innocence  
Crushing faithfully of death  
On my hands their life has left  
My path leads me to the unknown  
I am the source of hate  
I am the ruin of hope  
I am the blood of anger  
I am destroyer of life  
So where will my path take me  
I who man this disgrace towards all  
Eternity holds the key to the gate  
The gate shall be opened
