Disemboweled on the inverted cross christ weeps in  
pain  
As I drive nails into his erect cock I menstruate on his  
face  
Spew a load on the virgin mary her mouth open wide  
BlaspHEME in the church of god the house of the holy  
destroyed  
Morbid pastor masturbating cum on the altar, so holy

With christ on his mind and his cock in his hand  
He performs his sunday sermon  
The altar boys beg to be fucked by the one whose so  
close to god  
Priesty gets on his knees as he thinks of skinny "C"  
Nailed to a "T"
