Always dreaming never sleeping no reverence for god  
I walk the earth a mortal man this land sempiternal  
If you could see through my eyes torment suffering  
Unimaginable to your mind  
Sinful thoughts of lust and sodomy  
Embrace my mind as I awaken  
To a new world, the old one left behind  
I realize I'm the chosen one  
I am the one you will fear the most  
I am the one who now owns your soul  
Lost in a nightmare  
I will appear and seek my vengeance  
You will never rest again  
Enter unto my dream realm  
Feel my evil wrath as I take your life  
Watch as you bleed writhe in pain for me  
Weak - you followed me couldn't live for yourself

Suffer - on the cross watching you die for me  
Ruler of a world I created in my mind  
Images of a distant past I dreamt for many years  
Feeling the power strength within my mind  
I begin my slaughter on the frail ones  
You cannot hide I laugh as you weep  
You chose to oppose me now I seek my vengeance  
On your soul receiving the pain  
I feel no more I'm master  
Now you are mine forever and ever  
I am your master - you are my slave  
I never wanted to be a god  
In a world full of sheep and puppets  
That would answer my command  
I only want to be free to please myself  
You will never see what I've seen  
You're much too weak
