So you think your tough  
But when you have a gun in your face  
You cry like a little girl  
A real man  
Is a gentleman  
And he supports things  
All around

But because of people with  
...  
DESPAIR!  
HATE!!!  
AND STUPIDITY!

As I said  
Your anger is overwhelming  
Undenying and never finding

What you want  
Because people with  
DESPAIR  
HATE  
STUPIDITY  
End up suffering poverty  
Believe in what you do  
Don't let it control you

Most people are stupid  
Naive  
Selfish  
Conceited  
And  
Unreliable

DESPAIR  
HATE  
STUPIDITY
