When it's vacation
I want it to end because
I will forget your
Pretty face
You may not be the most
Beautiful girl
To other guys
But to me
I think you have a
Great personality

And your voice
Makes me feel
Like I'm in heaven
Oohhhhhh

Every monday
(and wednesday)
At exactly
3:30
I see your face
I talk to you
Support you
And I loovveee yyoooouuuuu
Oohhhhh
Every
Monday
And
Wednesday
At 3:30

We are in the same play
We live in the same city
We take the same bus
And I have been friends with
You
For a long time

Ohhhh

Please take my hand
I am not a handsome man

But I want to be with you

What the hell
Happened
To second chances

Every monday
(and wednesday)
At 3:30
