So I'm your friend
We are in the school play
You told me you liked a boy
In school
Yaaaa
What about me
Give me a chance at least
I want you to know
Everyday!
At school
I talk to you
Make you laugh
And support you
You were nervous on opening
Night

So I see you see through me
What about me
What about second chances
Nnooooo!!
Everyday
At school
I talk to you

Play with you
And make you laugh

Oooooo
Oooooooooohhhhhh
Aaaaaaaaahhhhhhhhhh
Why I am not your boyfriend
Oh I know why
I never took a chance
And I know you'd
Reject me

Everyday at school
I see your smile!

And when it's vacation I want it to end
Because
I need to see your face everyday

Or not I will feel
Like I will forget you
