I'm so paranoid
To go to school
Because
There is a fool
Who thinks he's cool
Who likes to bully me around
He takes my lunch money
I will tell you one thing mr. principle

You are succesful
But you are blind to see
The damage in the schools around
Around
Kids are losin
Their lives
To gangs and fights

Every day thousands of life
Go to waste

The violence is growin every where
There's nothin to do
Even teachers gettin punched
Trying to end a fight

Undisciplined
And screamin
Without a doubt

They push kids smaller than them around
Around
And around

Gettin bullied by a bull
Or a kid whos full
Of himself
Himself
But
It's a chain and
It never ends

Oh no it never

Ends

Suicide by kids who aren't even
A pre-teen yet
They thought they would rather
Be dead!

Kids commitin suicide
All the time
Because
Of bullies

And people full of themselves
And mr. principle

Please do somethin about it

Peer pressure
Takin drugs
Underage sex
Boys lookin at jugs

Not so good after all
Oh no!

Gettin bullied
Gettin bullied
Gettin bullied

Not so good!
Oh no!

Mr. principle do something
Before
These kids
Get in gang wars
Or fights
And they will lose lives
Please
Stop the violence

All around the world!

Nobody wins when lives
Are bein lost
Nobody wins!

Nobody!

Gettin bullied
Gettin harrassed

Gettin pushed
Kicked in the ass

So beloved
Parents!
If you care
At all

Stop the violence
Or you will never see your
Child's face again!

Gettin bullied!

Such a dangerous thing
Trust me!

I was one of them I suffered and
Digged for my dignity!
Stand up and don't take it anymore just
Believe!

Gettin bullied
Gettin harrassed
Gettin pushed
What a pain in the ass!
