She's lying in a dark spot,
Where the evil eyes compel her,
She's dreading the faintful hurt,
But she realizes,
Who will be the savior,

Of the end of the world!

Towers falling,
People dying,

It's ending now!

It's too late to save the world
Because,

People crying,
Terrorists bombing,

Evrything!

(drum solo)

It will end,
No matter what,

There are people dying tonight,
They have faith to walk in the light,
Becoming dead,
The end of mankind,

Because!,

It will end!
It will end!
Suffering!

IT WILL END!!!
