We found your ass
In a garbage can
Oh yes
We did

Stupid crazy
Test tool baby

Don't you ever feel
Out of place
And out of time

You shouldn't care
On what anyone thinks
Be yourself
And you will be

Better!
Better!
Better!

Than a stupid crazy
Test tool baby

Test tool baby!
Test tool baby!

We found you in a garbage can
But you are
Better
Than a
Stupid crazy
Test tool baby
Test tool baby

You are not
The same as possessed chucky

You are better
Than a test tool baby

Baby

Baby
Baby
Baby!

Baby
Baby
Baby
Baby!!!!

You
Are
Better
Than a
Test tool baby

Yaa

Come on and spread your abnormal
Wings
I don't care on looks or money
It's about your personality

Baby
Baby
You are no better
Than
A
Test tool
BABY!!!!

Oh no
No better
No better

Than a test tool baby
A crazy stupid unfortunate
Test tool baby!

NO!!
