Inside my heart You've known how to give me joy,  
inside my heart

Inside my heart You've known how to give me love,  
inside my heart

With just a touch my God can set you free (John 8:36)

With just a word now you can be free (Romans 10:13)

Inside your heart He knows how to give you joy, inside  
your heart

Inside your heart He knows how to give you love, inside  
your heart

With just a touch my God can set you free (John 8:36)

With just a word now you can be free (Romans 10:13)

Choose Christ

Inside your heart my God has given you joy, inside  
your heart

Inside your heart my God has given you love, inside  
your heart

With just a touch my God has set you free

With just a word now satan must flee (Mark 16:17-18)

Die (Romans 6)
