[Chorus]

All I do think of you  
day and night that's all I do  
I can't get you off my mind  
I think about you all the time  
all the time girl

[Corey]

I can't wait to get to school each day  
and wait for you to pass my way  
and bells start to ring  
any angel starts to sing  
hey that's the girl for you  
so what are you gonna do  
hey little girl I love you so

[Chorus]

All I do think of you day  
and night that's all I do  
I can't get you off my mind  
I think about you all the time  
all the time girl

[Michael Jackson]

I've been begun to take the long home  
just so I can be alone

[Corey]
