niggas cant out stunt me when it comes to these
mothafuckin cars nigga balive dat

you no me i dont need no introduction or shit ride
bentlys around the city unbotton it bitch im hangin just
blingin just stuntin it shit drop the top block is hot stay
bumpin your bitch when your ankles gettin ripe dont
tangle and twist them in the club every night drunk
drankin that cristal niggas mad dont like it cause im
baggin there bitches when the ice hit the light it twinkle
and glicins baby brain b bubble you can call me with my
friends hoppin out the platnum hummer with the
platnum grill with the platnum pieces and the platnum
chain with the platnum watches and the platnum rangs
to tired i will try to finish ummmm in tommaro ok dont
bann me forever plz
