"Beneath These Waves"

The ocean's beauty
No longer moves my heart
It's bleak and empty
My aim's so far apart

I'm madness maddened
Driven by the waves of hate
It's him or me, well
That's in the hands of fate

Somewhere deep within
There is nothing left but trouble
And the longing for
The sweetness of revenge
Somewhere deep within
Let revenge be mine

Come all you mast-heads
Come all you harpooners
Sing out for him, well
My order shall be clear

All you mast-headers
You've heard these words before
It's your blood money
This broad bright ounce of gold

Somewhere deep within
I am forever Ahab
And this whole act
Is immutably decreed
Somewhere deep within
Let revenge be mine

A walk through the shadows
We'll soon cross the line
There is one thing for sure
You'll rise nevermore

A walk through the shadows
We'll soon cross the line
Beneath these waves you'll sleep

Somewhere deep within
There is nothing left but trouble
And the longing
For the sweetness of revenge
Somewhere deep within
Vengeance shall be mine

A walk through the shadows
We'll soon cross the line
There is one thing for sure
You'll rise nevermore

A walk through the shadows
We'll soon cross the line
Beneath these waves you'll sleep

Beneath these waves you'll sleep
