Stained the land  
Milleniums I've prayed  
Now I know there's no release

Since paradise is lost, I hold a crown  
I know your name but I am just your  
Fallen angel of doom

Thus heaven denies  
Refused for all times  
I am not guilty at all

Deadlands, Wastelands  
Darkness will cover my mind  
And oblivion shall reign

I made up my mind  
And oblivion shall reign  
Through the night

Deadlands, Wastelands  
Darkness will cover my mind  
And oblivion shall reign

Still we are one  
You and I realize  
I did what you wanted me to

The lack of pure souls  
And the fading light  
It's me, you blame

First there was light  
Then came the night  
Cruel nothingness

Thus heaven denies  
Refused for all times  
I am not guilty at all

Deadlands, Wastelands  
Darkness will cover my mind

And oblivion shall reign

I made up my mind  
And oblivion shall reign  
Through the night

Deadlands, Wastelands  
Darkness will cover my mind  
And oblivion shall reign

Deadlands, Wastelands  
Darkness will cover my mind  
And oblivion shall reign

Hope turns to despair  
There's no one in these barren lands  
The lust for light, I'm sure that it will fade, it will fade  
Spiritus Sanctus, Spiritus Sanctus

The lust for light, I'm sure that it will fade  
Spiritus Sanctus, Spiritus Sanctus

Eternal hell
