Don't stop - don't stop - don't stop -

Jumping locomotion
energetic potion

Feel your body keepin' time
pulsing beat into your mind.
Automatic action
systematic passion

Daylight stepping in the night

colours change to black and white.

Lover
don't waste your time
'cause you can make a move.
Brother
you'll blow your mind if you get into the groove.

Don't stop
hungry dancer
come and do the charleston

Modern day romancer
get back to the charleston.
Don't stop
hungry dancer
come and do the charleston

Modern day romancer
get back to the charleston.

Dance until the mon@ing
see your partner glowing

Back and forth
you move your feet
steaming hot

you feel the heat.
Step back in the old days

loving with the new ways

See you must have a good time
happiness is in a climb.

Music
it seems to change
but people are the same.
Choose it what you prefer
but dancing will remain.

Don't stop
hungry dancer
come and do the charleston

...

Don't stop
hungry dancer
come and do the charleston
