[guy]

[girl]

You turn you back on me again today,
And I saw for myself as my girlfriends always say,
You're no good for me but I can understand,
You're no good for me but i still want that man,

(Bridge)

But I can see things in many different ways,
And I can show you that money isn't all you need to
live,
But if I try I'm so misunderstood,
But that's the way it goes when I'm with

(Chorus)

Doesn't matter what you say,
I'm gonna love you anyway,
Doesn't matter what you hear,
Only the parts that keep him near,
Doesn't matter what you say,

I'm gonna love you anyway,
As a matter of fact if I blow your mind,
If you're giving it i gotta get it one more time.

[guy]

[girl]

I'm tired of feeling sorry for myself,
Because I really need to get with someone else, [bring
it on]

Why do you always tell so many lies,
You know that I can see it in your eyes,

But I can see things in many different ways,
And I can show you that money isn't all you need to
live,
And if I try I'm so misunderstood,
But thats the way it goes when I'm with,

Chorus
