All i am now, fall for a way down
More than a handshake or a grin
More than a test for old friends
I'll wait til Monday for a step outside
You can pretend all you want to i don't mind
More than a handshake or a grin
More than a test for old friends
One more chance to, chance to do something

Pushed you down and out
Farther than i should
Wanted just enough
A rescue never could
It's only in the dark
Eyes can be open or shut
One more chance to, chance to do something
All i am now, fall for a way down
