Visit "[Walk In Balance](#)" on [MotoLyrics.com](#)

We must learn to walk in balance
Sacred steps to take
Weaving peace and understanding
Through all that we create.

A tapestry of love and light
Finest threads of gold
Sacred flame ever burning bright
Through all that we behold.

When we learn to walk in balance
The healing will take place
The healing of this earth our mother
The healing of the human race.

A tapestry of love and light
Finest threads of gold
Sacred flame ever burning bright
Through all that we behold.

When we learn to walk in balance
