O Holy Night, the stars are brightly shining
It is the night of the dear Savior's birth
Long lay the world in sin and error pining
Till He appeared and the Spirit felt it's worth

A thrill of hope the weary world rejoices
For yonder breaks a new and glorious morn

Fall on your knees, oh, hear the angel voices
Oh night divine, oh night when Christ was born
Oh night divine, oh night, oh night, ooh
Angels are coming, Heavens are falling

Oh, thrill of hope, yeah, weary world rejoices
For yonder breaks a new and glorious morn
F-f-fall, yeah, fall on your knees
Oh, hear the angels calling, mercy, yeah
Oh night divine, oh night when Christ was born
Oh night divine, oh, oh night, oh night, oh yeah

O Holy Night, hold on for Holy Lamb
Angels surround Him, yeah
Thrill of hope, yeah, yonder brings
Oh, Holy night, O Holy night, hold on for holy lamb

Angels surrounded Him, oh, yeah, yeah, yeah
Oh, dear the light, you changed my mind
(I believe my world, I believe my world, I believe my world)
The Heavens are falling down all around us praying for night

Beautiful Lamb
(Yes, yes, yeah, oh what a Holy Night)
The dew in the morning
(It tells about you, yeah)
I don't see champagne, yeah
(Go out with dancing, yes, yes, yes)
