Let's Go!  
Big Time!  
Merry Christmas Everybody!

Put down video games,  
Pick up some candy canes  
And hang w wreath on your door  
Hey  
Give back to those who need  
Bring peace and harmny  
Cause that's what Christmas is for

And this Christmas is Christmas  
We'll celebrate a wonderful year

Ohh this Christmas (it's Christmas)  
It's Christmas (it's Christmas)  
We'll decorate the halls with love and cheer

We can make a beautiful Christmas  
We can make the world shine bright  
As long friends and family are with us  
Every star will shine tonight

We can make it beautiful  
It's Christmas  
We can make it beautiful  
It's Christmas  
We can make it beautiful  
It's Christmas  
We can make a beautiful Christmas

Let's party in the snow  
Under the mistletoe  
Girl I've been waiting all year  
(All year) Hey...

Rudolph can take a break  
Frosty can melt away  
As long as I got you here

And this Christmas (it's Christmas)

It's Christmas (it's Christmas)  
We'll celebrate a wonderful year

Ohh this Christmas (it's Christmas)  
It's Christmas (it's Christmas)  
We'll decorate the halls with love and cheer

We can make a beautiful Christmas  
We can make the world shine bright  
As long friends and family are with us  
Every star will shine tonight

We can make it beautiful  
It's Christmas  
We can make it beautiful  
It's Christmas  
We can make it beautiful  
It's Christmas  
We can make a beautiful Christmas

Happy holiday, spread the love on Christmas day,  
Singing happy holiday, we can make a beautiful  
Christmas

Happy holiday, spread the love on Christmas day,  
Singing happy holiday, we can make a beautiful  
Christmas

We can make a beautiful Christmas  
We can make the world shine bright  
As long friends and family are with us
