[Jordin:]

Now I'm about to give you my heart  
But remember this one thing  
I've never been in love before  
So you gotta go easy on me

[Kendall Big Time Rush:]

I heard love is dangerous  
Once you fall you never get enough  
But the thought of you leaving  
Ain't so easy for me

[Chorus:]

Don't hurt me  
Desert me  
Don't give up on me  
What would I wanna do that for?  
Don't use me  
Take advantage of me  
Make me sorry I ever counted on you  
1, 2, 3, 4 to the 5, baby, I'm counting on you [x4]

[Kendall:]

Understand I've been here before,  
Thought I found someone I finally could adore

[Carlos:]

But you failed my test,  
Got to know her better saw I wasn't the only one

[Jordin and James:]

But I'm willing to put my trust in you,  
Baby you can put your trust in me

[Carlos:]

Just like a count to 3,  
You can count on me and you're never gonna see

[Logan:]

No numbers in my pocket.  
Anything I'm doing girl I'll drop it for you

[Jordin and James:]

'Cause you're the one I'm giving my heart to but I gotta be the only one

[Chorus:]

Don't hurt me  
Desert me  
Don't give up on me  
What would I wanna do that for?  
Don't use me  
Take advantage of me  
Make me sorry I ever counted on you  
1, 2, 3, 4 to the 5 baby I'm counting on you [x4]

[All:]  
I really hope you understand  
That if you wanna take my hand

[James:]  
You should put yours over my heart  
I promise to be careful from the start

[All:]  
I'm trusting you with lovin' me  
Very very carefully

[Jordin:]  
Never been so vulnerable

[All:]  
Baby I'll make you comfortable

1, 2, 3, 4 to the 5 (yeah), baby, I'm counting on you (oh)  
1, 2, 3, 4 to the 5 (why would I want to do that, hey, yeah)  
1, 2, 3, 4 to the 5, baby, I'm counting on you  
1, 2, 3, 4 to the 5

[Jordin:]  
Now I'm about to give you my heart  
So remember this one thing  
I've never been in love before  
Yeah, you gotta go easy on me.
