See you looking at the magazines, oooh  
Watching girls on the MTV, yeah  
They don't even look  
half as good to me, ey-yeah  
Pony-tail and a pair of sweats  
You still look like a perfect 10  
Baby, you can wear anything  
No matter what you do, you look beautiful...

And how else can I say it?  
I'm feeling like a broken record  
You think I'm crazy, and it's true  
I'm crazy for you  
Yeah that's right, I said it  
Girl, you're my perfect 10, yeah  
You think I'm crazy and it's true...  
I'm crazy for you  
Oh, oh, woa-oh-oh-oh-oh  
I'm crazy, woah-oh-oh-oh-oh  
I'm crazy for you

At a temperature of 103  
Even sick as a dog  
You look cute to me  
Even at your worst  
You're still the best  
Hey-yeah!

Hey pretty lady  
yeah-you're so fine!  
If I was a pilot  
I'd write your name in the sky  
But the prettiness don't compare to what's inside  
No-oh-oh-oh matter what you do  
You look beautiful

And how else can I say it?  
I'm feeling like a broken record  
You think I'm crazy, and it's true  
I'm crazy for you...  
Yeah that's right, I said it

Girl, you're my perfect 10, yeah  
You think I'm crazy and it's true...  
I'm crazy for you  
Oh, oh, woa-oh-oh-oh-oh  
I'm crazy, woah-oh-oh-oh-oh  
I'm crazy for you

Hey, hey, hey, hey, hey, everybody  
Girl so good, good, good,  
gotta tell somebody  
You can even call me insane  
But it won't change a thing...

How else can I say it?  
I'm feeling like a broken record  
You think I'm crazy, and it's true  
I'm crazy for you...  
Yeah that's right, I said it  
Girl, you're my perfect 10, yeah  
You think I'm crazy and it's true...  
I'm crazy for you  
Oh, oh, woa-oh-oh-oh-oh  
I'm crazy, woah-oh-oh-oh-oh  
I'm crazy for you
