Famous

(Kendall)

Do you want to
Ride in a big limousine
Tell me, do you want to
Take a little bite of the fame machine
If you wanna be discovered
And end up on the cover
Of every star studded supermarket magazine
You can do it
Stick right to it
It could happen tonight

(Chorus)

You wanna be famous (famous)
You wanna be the one who's living the life
You wanna be famous (famous)
You wanna be the one who's taking the free ride

(James)

Do you want to
Cut to the front of the line
Baby do you need to
See your name in lights
Just like the Hollywood sign
Come on we gotta work harder
Fight the fight together
Take it to the top
We got the winning team

(Kendall)

It's your moment
You can own it
It's the American dream

(Chorus)

You wanna be famous (famous)
You wanna be the one who's living the life
You wanna be famous (famous)
You wanna be the one who's taking the free ride

(Carlos)
All day, all night
The camera's on and it never lies
Your under the spotlight
24/7 till the end of time

Whoa, whoa
You wanna be famous (famous)
Whoa, whoa
You wanna be famous

(Chorus)
You wanna be famous (famous)
You wanna be the one who's living the life
You wanna be famous (famous)
You wanna be the one who's taking the free ride
You wanna be famous

(Logan)
Your song is on the radio
Hot rotation video
Bright lights, fan mail
Paparazzi on your tail
Tour bus, private jet
Thinking big ain't failed you yet
Just one thing you can't forget
Takes more than just wanting it
Aim high, never rest
Put your passion to the test
Give your all, never less
Famous means that you're the best
