You drive me crazy, I'm so into you  
Tell me baby, do you feel it too?  
The taste of your lips got me feeling high  
I swear you're an angel in the sky  
Just one look in your eyes got me hypnotized  
I'll never be the same

'Cause I'm lost in love, lost in love  
I don't want to be found  
Lost in love  
So glad I've found a girl  
So let's stay lost in love

Our hearts beat faster, I don't know what to do  
I can't stop feeling what I'm feeling for you  
The taste of your lips got me feeling high  
Girl, I swear you're an angel in the sky  
Just one look in your eyes got me mesmerized  
C'mon let's run away

'Cause I'm lost in love, lost in love  
I don't want to be found  
Lost in love  
So glad I've found a girl  
So let's stay lost in love

Lost in love So let's stay lost in love  
Lost in love  
I don't wanna be found  
Lost in love  
So glad I've found a girl  
So let's stay lost in love

Jake Miller, yeah  
Call the FBI, call the CIA  
'Cause I'm lost in love, I'm MIA  
No GPS, 'cause you're my compass  
I could show you the world like Christopher Columbus  
Baby you don't even gotta worry 'bout a thing  
Come let's run away, before they make us say

I'm lost in love  
'Cause I'm lost in love, lost in love  
I don't want to be found  
Lost in love  
So glad I've found a girl So let's stay lost in love  
Lost in love  
So let's stay lost in love  
Lost in love  
I don't wanna be found  
Lost in love  
So glad I've found a girl  
So let's stay lost in love  
Tell me baby, do you feel it too?
