Love me love me say you're gonna love me I know you're ready to go I'm I'm ready to go

Drop drop hot stop the eye lock I must be dreaming go hit the alarm clock Under the lights, coming alive, she's thriller tonight

ay ay ay

MotoLyrics

One dance, two dance is not enough You got that glow on the dot so Im not giving up I'm reading your mind you know I'm a psychic Why you try to hide it hide it

Love me love me say youre gonna love me I know you're ready to go Love me love me say you're gonna love me Dont leave me out on the floor

I'm saying woah-oh-oh Don't tell me no-oh-oh-oh

Love me love me say you're gonna love me I'm I'm I'm ready to go I'm ready to go

Love me love me, lo-love me lo-love me Love me love me, lo-love me I'm ready to go

Cant stop, wont stop the party rock You got that red of you're lips, sweet, like Betty Crock-ER So call a doc-TER Cause someone needs to take your temperature you're getting hotter All of the lights, coming alive, she's thriller tonight

I'm reading your mind you know I'm a psychic Why you try to hide it hide it

When I rock, you roll You're loosing control And if you got that feeling throw your hands up in the air

Love me love me say youre gonna love me I know youre ready to go Love me love me say youre gonna love me Don't leave me out on the floor

I'm saying woah -oh-oh-oh Don't tell me no-oh-oh-oh

Love me love me say youre gonna love me I'm I'm I'm ready to go I'm I'm ready to go

You be Juliet I'll be Romeo What you waiting for you know you wanna go Dont say goodbye cause we just said hello say your gonna love me girl cause I need to know

Lets do this

Love me love me say youre gonna love me I know youre ready to go Love me love me say youre gonna love me Dont leave me out on the floor

I'm saying woah -oh-oh-oh Dont tell me no-oh-oh-oh

Love me love me say youre gonna love me I'm I'm I'm ready to go I'm ready to go

Love me love me, lo-love me lo-love me Love me love me, lo-love me I'm ready to go Love me love me, lo-love me lo-love me Love me love me, lo-love me I'm ready to go
