Get a call on a random afternoon  
I pick it up and I see that it's you  
I like my heart you were breaking the news  
You say it's over, it's over, it's over  
Heading out cause I'm out of my mind  
All my friends are gonna see me tonight  
Staying here 'til the sun starts to rise  
And I'm, I'm gonna, I'm gonna, I'm gonna

Chorus:

Dance hard, laugh more, turn the music up now  
Party like a rock star can I get a what now!  
I swear I'll do anything that I have to  
Til I forget about;  
Jump up, fall down gotta play it loud now  
Don't care, my head's spinning all around now  
I swear I'll do anything that I have to  
Til I forget about you

Til I forget about you

I bet you thought I'd be here on my own  
Waiting for you to knock on my door  
Since you left I don't wait by the phone  
I'm moving, I'm moving, I'm moving  
I found a place were I can lose myself  
And just leave your memory on the shelf  
See I'm fine, no I don't need nobody else  
Cause I'm goin', I'm goin', I'm goin'

Chorus:

Dance hard, laugh more, turn the music up now  
Party like a rock star can I get a what now!  
I swear I'll do anything that I have to  
Til I forget about;  
Jump up, fall down gotta play it loud now  
Don't care, my head's spinning all around now  
I swear I'll do anything that I have to  
Til I forget about you

Spending money like it don't mean a thing  
I'm going crazy now don't even think

losing my mind  
is all I can do  
Til I forget about you

Chorus:

Dance hard, laugh more, turn the music up now  
Party like a rock star can I get a what now!  
I swear I'll do anything that I have to  
Til I forget about;  
Jump up, fall down gotta play it loud now  
Don't care, my head's spinning all around now  
I swear I'll do anything that I have to  
Til I forget about you

Til I forget about you  
(Til I forget about you)  
I'm gonna forget about you
