[Logan]

Try to see it my way,  
Do I have to keep on  
Talking till i can't go on?  
While you see it your way,  
Run the risk of  
Knowing that our  
Love may soon be gone

[All]

We can work it out,  
We can work it out

[Kendall]

Think of what you're saying  
You can get it wrong and still  
You think that its alright  
Think of what I'm saying,  
We can work it out and get it  
Straight, or say good night

[All]

We can work it out,  
We can work it out  
Life is very short, and there's no time  
For fussing and fighting, my friend  
I have always thought that its a crime,  
So I will ask you once again

[James]

Try to see it my way,  
Only time will tell if I am right  
Or I am wrong  
While you see it your way  
There's a chance that we  
Might fall apart  
Before too long

[All]

We can work it out,  
We can work it out  
Life is very short,  
And there's no time  
For fussing and fighting, my friend  
I have always thought that its a crime,

So I will ask you once again

[Kendall]

Try to see it my way,  
Only time will tell if I am right  
Or I am wrong

[Carlos]

While you see it your way  
There's a chance that we  
Might fall apart  
Before too long

[All]

We can work it out,  
We can work it out
