

Deni Hines "Not Over"

Visit "[Not Over](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Ive had love before
i should have know what was going on
i can see why you have chosen to ignore me
my fault for been so cruel
i should have know that you would have heard about us
well i dont know what i was thinking of
if you can find it in your heart to forgive me
ill be waiting here for the two of us

cause, its not over till its over
till im over you
cause, its not over till its over
till im over you
you know this love that we both once had
was simply to good to be true
but i was tempted by anothr
and i abused you
i saw you standing at the end of our street
and i remembered how we use to be
if i could change your mind
or turn back the hands of time
well youd be in my arms again

cause, its not over till its over
till im over you
cause, its not over till its over
till im over you
