Even after all this time  
After all these years  
After all the love we shared  
I still shed tears  
We were once lovers  
Never loved any other  
I thought I'd never recover  
From your love  
But look at me  
Shining like star  
You with all the money  
Who do you think you are  
If you think you own me  
Then I'm two steps ahead  
Now I know for sure  
That you won't see my tearshed  
Chorus:  
Tearshed that I'm always holding back  
Tearshed is what you think I do  
But let me tell you boy that these tears I shed  
Were not because of you  
Repeat (1x)  
Now that I'm shining  
Can't help see you crying  
Is that because of your lying to me  
Still look at me  
Shining like a star  
Me with all the money  
And my fancy car  
Don't you think you own me  
Cause I'm two steps ahead  
Now I know for sure  
That you won't see my tearshed  
Chorus (3x)
