You realize that the best part of love
Is the thinnest lies
It don't count for much
But I'm not letting go
I believe there's so much to believe in

So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me

You know you can't fool me
I've been lovin' you to long
It started so easy
You want to carry on

Lost in love and I don't know much
'Cause I'm thinkin' aloud
And I fell out of touch
I'm back on my feet
And I'm eager to be what you wanted
So lift your eyes if you feel that you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me

You know you can't fool me
I've been lovin' you to long

It started so easy
You want to carry on

Carry on carry on

Lost in love and I don't know much
'Cause I'm thinkin' aloud
And I fell out of touch (lost in love)
I'm back on my feet
And I'm eager to be what you wanted

So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me

Lost in love and I don't know much
'Cause I'm thinkin' aloud
And I fell out of touch (lost in love)
I'm back on my feet
And I'm eager to be what you wanted

So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me
