There's an overtone, I can feel it.  
When you're near me, that's so appealin'.  
You're always piquing my -- imagination.  
Think about you, and that's amazin'.

Don't wanna thinkin' 'bout the two of us,  
You've got to tell me if dependency  
In your direction.  
Affection.

[Chorus]:

Don't hesitate, if you feel it -- if you feel it.  
My? if you feel it -- if you feel it.  
Just let it be, if you feel it -- if you feel it.  
Take all of me, if you feel it -- if you feel it.

When we're together, somethin' radiates.  
My heart first skips a beat, and the accelerates.  
It must be something,  
But I let you go, your own conclusion.

[Refrain]:

When we?  
And you should know by now I only wanna satisfy.  
I'm not?, you just might need it.  
There is no question, any moment? I'm leavin'.

[Chorus]

If you feel it...  
If you feel it...  
If you feel it...  
If you feel it...

Don't... Don't... Don't... Don't... Don't...  
Don't... Don't... Don't... Don't... Don't...

Feel it... Feel it... Satisfy.

[Refrain]

Don't hesitate, if you feel it -- if you feel it.

My if you feel it -- if you feel it.

If you feel it... if you feel it.  
If you feel it... if you feel it.  
If you feel it... if you feel it.  
Don't hesitate -- if you feel it.

If you feel it... if you feel it.  
If you feel it... if you feel it.  
If you feel it... if you feel it.
