There's nothing better that I like to do  
Than sit in here cuddled up next to you  
Cos you love me baby  
Just the way I want to be loved

It's so nice lying here in your arms  
Your personality has that charm  
And you love me baby  
Just the way I want to be loved, yeah, yeah

When I'm here with you, are you happy too  
I can plainly see that you care, oh about me

Ooh I could stay here for the rest of my life  
I wanna be your lover woman, maybe your wife  
Cos you love me baby  
Just the way I want to be loved

It's so nice lying here in your arms  
Your personality has that charm  
And you love me baby  
Just the way I want to be loved, yeah, yeah

Cos when I'm here with you  
Tell me are you happy too  
Yes I can plainly see that you care  
You care about me

There ain't nothing that I wanna do  
Than sit here baby, huddled up, cuddled up next to you  
Cos you love me baby  
Just the way I want to be loved, yeah, yeah  
Cos you love me baby  
Just the way I want to be loved, yeah, yeah  
Cos you love me baby, you love me baby  
You love me the way no other can love me  
You love me baby  
Just the way, just the way, I wanna, wanna be loved  
Cos you love me baby, yeah you love me  
Just the way, just the way I wanna be loved, yeah, yeah  
You love me baby the way I wanna be loved, yeah, yeah  
You love me baby

The way, just the way my man's gotta love
