And I just got to be me, me, me

Whispering it is in  
My magic potion for love  
Telling him Iâ€™m sincere  
And that thereâ€™s nothing too good for us

But I want to be free, free, free  
And I just got to be me, yeah, be me

Teasing hands on his mind  
Giving out such mystery  
Happiness all the time  
Oh and how that man pleases me

But I want to be free  
(I just got to be me, me)

Feeling you close to me  
Makes all my senses smile  
Letâ€™s not waste ecstasy  
Cos Iâ€™ll only be here for a while

Iâ€™ve got to be free, free, free  
And I just got to be me, yeah, yeah, be me  
Be free, free
