Loving you is easy cos you're beautiful
Making love with you is all I wanna do
Loving you is more than just a dream come true
And everything that I do is out of loving you

La, la, la, la, la

No-one else can make me feel the colours that you
bring
Stay with me while we grow old and we will live each
day in springtime
Cos loving you has made my life so beautiful
And every day of my life is filled with loving you

Loving you I see your soul come shining through
And every time that we ooh Iâ'm more in love with you

La, la, la, la, la

No-one else can make me feel the colours that you
bring
Stay with me while we grow old and we will live each
day in springtime
Cos loving you is easy cos youâ're beautiful
And every day of my life is filled with loving you

Loving you I see your soul come shining through
And every time that we ooh Iâ'm more in love with you

La, la, la, la, la
