You're all I need to get by

Like a sweetened morning dew, I took one look at you
And it was plain to see, you were my destiny
With my arms open wide, I threw away my pride
I sacrifice for you, dedicate my life to you

Oh I will go where you lead
Always there in time of need
And when I lose my will
You'll be there to push me up that hill

There's no, no looking back for us
We've got a love, sure love that's enough
You're all, you're all I need to get by
(You're all I need to get by)

Like an eagle protects his nest, for you I'll do my best
Stand by you like a tree and dare anybody to try and
move me
Darling in you I found strength where I was torn down
Don't know what's in store but together we can open
any door

Just to do what's good for you, inspire you a little
higher
I know you can make a man out of the soul that didn't
have a goal

Cos we, we got the right foundation
And with the love and determination
You're all, you're all I want Â...Â...Â....
You're all, all the joy Â...Â.....
You're all, you're all I need
You're all I need
You're all I need, oh, to get by
