G'eah, I know where them niggaz out  
Ain't tripping on no beef nigga, this what we do nigga  
Hurt em yeah, g'eah g'eah

[Hook - 2x]

When you see us, you gon know that we the truth  
Don't be hanging out the window, with them choppers  
on the roof  
We ain't playing hoe (uh-uh), we ain't playing hoe (uh-  
uh)  
Lights out tip-toeing, straight spraying hoe

[Big Tuck]

We ain't playing with you hoes, not at all  
Got the AR, ripping through the brick wall  
I'ma let it rip, till the whole house fall  
Got the red beam, on your whole team dog  
Them the same niggaz, tried to run up in my trap  
First nigga through the do', I put the beam on his cap  
His niggaz flipped out, they done tipped A.S.A.P.  
Say bitch I'm a rider, and you know I stay strapped  
I been looking for these boys, for a week  
Sun up sun down, no sleep  
When I seem em, I'ma let em have the heat  
Hope them hoes hungry, cause they just found beef  
I'm fin's to find, where these mo'fuckers chill  
Then I'ma let em, know what the deal is  
In the car six deep, loading up steel  
Bout to let them boys know, that we for real

[Hook - 2x]

[Big Tuck]

We be dipping round the corner, with them chops  
I'm bandana'd up, bout to take on the block  
I don't give a damn, bout no motherfucking cops  
They strapped we strapped, fuck nigga let's rock  
Now they see that the click, off the chain  
Cause we hanging out the window, with them thangs in  
they aim

Let it rain, god damn it let it rain  
When I leave this bitch, I'ma leave the strip flame  
Niggaz get to capping, like they vets  
We done walked up on they set, they ain't showed us  
shit yet  
When we bust, ery'body scit-scat  
Matter fact, where all the gorillas at  
Yes sir, it's the Hurricane Tuck  
Nigga got some'ing, that'll disappear a bus  
Y'all run (y'all run), we rush (we rush)  
Y'all talk (y'all talk), we bust (we bust)

[Hook - 2x]

[Big Tuck]

There they go, there they go  
Stop the car, I'm bout to walk up to the do'  
There they go, there they go  
Stop the car, I'm bout to walk up to the do'  
Bring your A-game, bring your A-game  
Got them killers outside, with them thangs  
Bring your A-game, bring your A-game  
Got them killers outside, with them thangs

[Hook - 2x]

(\*talking\*)
