Denison Marrs "Better 3/4ths"

Visit "Better 3/4ths" on MotoLyrics.com

You're my supercharged magnet That can't ever be powered down My better 3/4ths that make me So complete and sound

The brilliant signal That cuts right through to bring me in From my constant And everchanging missions

How can I be lost When you're all around My hands are to the skies In thanks for what I've found

And my mind can see That yours can see into mine And my eyes catch grand sights Of constellations In your eyes
