do you believe in heaven above
do you believe in love
don't tell a lie don't be false or untrue
it all comes back to you
open fire open fire
my defenses are down a kiss or a frown
i can't survive on my own
it get's in your eyes, it's making you cry
don't know what to do
don't know what to do
you're looking for love
call on heaven above
send me an angel
empty dreams can only disappoint in a room behind
your smile
but don't give up

you can be lucky in love
let's open fire and call on heaven above
you say it's making you cry
but are you looking for live
if a girl walks in and calls her name in my heart i'll turn
and run away
everyday we've all been lead astray
it's hard to be lucky in love
