I wear my heart on sleeve
So you can feel how it beats
Baby but it's .. of stone
Whenever you turn to leave
You got me lost inside your love
I can't find no way can't get enough
Baby is something in the way you touch me oh
from the bottom to the top straight to my soul

Chorus:

Baby I'm screaming now ohh
Only ..words come to mine
You got me sayin' ohh
It can be a feeling but I can't describe the word
Such a higher love, I can't find the words
Can't describe my love, I can't find the words
Such a higher love, I can't find the words
I can't find the words, I can't find the words.

Don't wanna get too deep
so I can feel you feet
you can come over never need to breathe
but I'm in the deep and maybe I'm seeking
'cause I'm so lost inside your love
I can't find no way can't get enough
Baby is something in the way you touch me oh
from the bottom to the top straight to my soul

Chorus:

Baby I'm screaming now ohh
Only ..words come to mine
You got me sayin' ohh
It can be a feeling but I can't describe the word
Such a higher love, I can't find the words
Can't describe my love, I can't find the words
Such a higher love, I can't find the words
I can't find the words, I can't find the words.

Such a higher love I can't find the words
Can't describe the .. I can't find the words
