By the look on your face, girl, you're my enemy
By the look on your face, girl, you're my enemy, yeah

Remember that Friday night
When you stole my pants off the line
So please tell me
How you wanna make love to me

Whoah, girl, oh girl
By the look in your eyes, girl, you're a cheater
By the look in your eyes, girl, you're a cheater

Going around and stealing people's clothing everyday
Oh please tell me, do you wanna be a cheater?
Whoah, girl, oh girl. Whoah, girl, whoah girl. Whoah!

Going around and stealing people's clothing everyday
Oh please tell me, do you wanna be a cheater?
Whoah, girl, whoah...
