Created a man did he... yeah, yeah.

Look at the trees,
How their leaves are blowing away in the sky.
Listen to the birds,
How they're singing away their time.
Look at the sun,
How it shines, bright in the skies.
Well, all these things were...
..created by the Father!

Look at the grass,
How it makes your lawns look pretty.
Look at the flowers,
How they make your gardens look pretty, too.
Even when you're feeling weary,
Sad and low.
All you've got to do is...
Relax and feel the cool rain so. [???

Oooh yeah yeah.. yeah!
Oh woah yeah.

What a beautiful feeling yeah.
Oooh yeah.

Look at the trees,
How their leaves are blowing away in the sky.
Listen to the birds,
How they're singing away their time.
Look at the sun,
How it shines, bright in the skies.
Well all these things were...
..created by the Father!

Look at the grass,
How it makes your lawns look pretty.
Look at the flowers,
How they make your gardens look pretty too.
Even when you're feeling weary,
sad and low.

All you've got to do is...
Relax and feel.....
