whow..ho ho yeah ..yeah  
Whow ho now now  
oh oh yeah...yeah

#### VERSE 1

How could I leave  
How could I possibly go on  
If you should say goodbye  
Just like a rose  
If you don't water it every morn  
It withers and it dies

#### CHORUS

Promise you won't leave me  
Promise you won't hurt me  
Promise you won't ever make me blue  
If you ever leave me, If you should desert me  
Baby I don't know just what I'd do  
I don't know just what I'd do  
I really don't know just I'd do  
whow ho ho

#### VERSE 2

It was ordained, that man should leave his mother and  
cling, to the woman that he loves (Ummmm yeah)  
I'm very sure, that I could never love anyone  
the way I love you now  
oh oh yeah

(Repeat Chorus)

whow ho ho ho  
How could I, How could I baby  
Whow ..yeah...yeah  
Whow now now oh oh yeah...oh yeah

Repeat VERSE 2

REPEAT CHORUS UNTIL FADE
