Chorus)

Love me ,Love me always
oooh there aint nobody else
Love me ,Love me always
oooh there aint nobody lese

(Verse 1)

Darling please understand
that I wanna be your loverman
to keep on guarding you
there aint nobody else
just let me stand by you
and no one will make you blue
darling I need you there aint nobody else
darling I need you can't you see that I love you
there's aint nobody else to be mine
