Yeah, baby
Whoa, woy
Yeah

Since you've been gone
I feel my life slipping away
I look to the sky
And everything is turnin' gray

All I made was one mistake
How much more will I have to pay
Why cant you think it over
Why cant you forget about the past

When love makes us out, baby
A heart needs a second chance
Don't put me down, babe
Can't you see I love you

Since you've been gone, I've been in a trance
This heart needs a second chance
Don't say it's over
I just can't say good-bye
Yeah, baby

So this is love
Standing in the pouring rain
I fooled on you
But she never meant a thing

And I know I ain't got no right
To ask you to sacrifice
But why can't you think it over
Why can't you forget about the past

When love makes us out, baby
A heart needs a second chance
Don't put me down, babe
Can't you see I love you

Since you've been gone, I've been in a trance

This heart needs a second chance
Don't say it's over
I just can't say good-bye

I never loved her, I never needed her
She was wailing, that's all there is to say
Don't forsake me
Please don't leave me now, yeah

Heart needs a second chance
Don't put me down, babe
A heart needs a second chance
True, true, true, true, true, true, babe
Yeah, baby
Love makes us out
Oh, whoa, whoa, whoa
Yeah, baby

A heart needs a second chance
Don't put me down, babe
A heart needs a second chance

You've been gone, I've been in a trance
This heart needs a second chance
Heart needs a second chance
Yeah, baby
Oh, baby
A heart needs a second chance
Ooh, baby
Yeah, baby
Yeah, yeah, baby
Ooh, yeah
Don't say goodbye, don't say good-bye
Never, never say good-bye
No, ooh, no
Don't ever, never say good-bye

Cause a heart needs a second chance
Don't put me down, babe
A heart needs a second chance
Truly do, true, true, true, true, baby

A heart needs a second chance, heh, heh
A heart needs a second chance
A heart needs a second chance

respect
